

# Magical Messages of Love

Wednesday, August 21, 2019, 7:00 pm

Holistic House of Healing

13740 Research Blvd, Ste J1, Austin, Texas 78750

Join us for a magical evening and receive messages of love from the spirit world as we connect to spirits, angels, archangels, and ascended masters. Throughout the evening, channeled messages of love, inspiration, and higher truths will be delivered within the realm of spirituality as well as how we can apply this wisdom to our modern lives. As we converse with the other side of the veil, together we will expand our consciousness and allow our hearts to open. The evening will be a lighthearted journey through the universe with many moments of joy and laughter.

During this event, learn about the spirit world and what spirit wants you to know and discover more about angels and ascended masters, signs and synchronistic events, the universe and beyond, and how to amplify love energy.

**Cost \$10 at the door**
